Thanks Gary,

C4 has always provided very professional and cost effective services. The best thing is that you can explain what you need and you do not have to stand over C4 to insure the job is implemented and completed correctly. When you have a few minutes of free time I suggest that you meet with their team and see the high level of competence that they have.

Mickey

I wanted to let you know that C4 did was very efficient. The chemist they had on site was excellent. I was impressed.

Thanks  
Gary Moore
